

Almat Flying Academy

Covid-19 Declaration

Dear All,

These are unusual and challenging times, but we have been endeavouring to provide a level of service to you, and it seems that we may now be able to move forward from 4th July 2020.

We require you to consider the risks of flying during COVID and abide by the rules in this document.

Covid-19 General Terms

These terms are offered on the strict understanding that circumstances may be taken out of our control and it may be necessary to cancel lessons at short notice.

All customers are requested to read this document thoroughly and to indicate their acceptance of the training sessions offered and of these terms, by ticking the appropriate boxes and returning the signed form to simon.kalas@almat.co.uk

Covid-19 Health & Safety Procedures

You are required to sign the following declaration to the effect that, at the time of any session, you:

- (a) are free from Covid-19 symptoms,
- (b) have not experienced any Covid-19 symptoms within the 14-day period preceding the session (c) have not been in contact with any persons who has or is suspected of exhibiting any Covid-19 symptoms within the 14-day period preceding the training session,
- (d) have been following social distancing guidelines.

All candidates must consent to an external, non-contact, body temperature scan on arrival at the Academy.

Any candidate exhibiting a body temperature exceeding 37.8°C (100°F) or exhibiting symptoms of high temperature or fever (*see link below) will not be permitted to enter the Academy and will be advised to return home immediately and to self-isolate in accordance with government guidance in force at the time.

All customers must maintain social distancing protocols at all times while at the Academy.

All customers may only visit for flying appointments, no social visits permitted unless undertaken outside of the building and by management agreement.

All customers are required to provide their own face masks and to wear them throughout the duration of their

time at the Academy. Masks must be of N95 or FFP2 classification, hand sanitizer, gloves if you wish and eye protection i.e glasses or goggles to fly in. All aircraft shall be decontaminated after flight.

Students will not be able to use school headsets until further notice. We have a good selection of headsets for sale from £135 and noise cancelling headsets from £324.

Refreshment and recreational facilities will not be available throughout the visit.

***Please note that body temperatures are averages - you may still have a high temperature but be below this figure. For NHS guidance, please refer to <https://www.nhs.uk/conditions/fever-in-adults/>**

Covid-19 Abnormal Occurrence Procedures

Evidence of Covid-19 symptoms - All customers are strictly required to stay away from the airport if they have any suspicion whatsoever that they may be suffering with Covid-19, or if they have been in contact with any persons who are known or suspected to have been suffering with Covid-19 at any time in the 14 days before a training session. If any customer exhibits Covid-19 symptoms at the academy, all training will be immediately terminated, and all customers told to go directly home and to self-isolate in accordance with UK government guidelines in force at that time.

If in doubt, stay away!

General illness – Any customer taken ill with any other symptoms will be advised to seek medical advice by contacting NHS 111 and taking action as appropriate.

Accidents – Any customer being injured as a result of an accident will be treated in accordance with the severity of the accident.

Fire alarm – All customers will leave the building, under the direction of staff, and proceed to the

assembly area in outside hangar 7. No persons are to leave the assembly area until notified by staff.
